HELPING CRAFT NEW ZEALAND BEER FOR THE LAST 30 YEARS

Message from the Brewers Guild

The Brewers Guild of New Zealand is proud to present the results of the 2022 Brewers Guild of New Zealand Beer Awards.

We brought the competition forward this year, based on feedback from industry and it seems to have worked well for all involved. This change meant there was just a 9 month turn around between this competition and the last. The work that went into making this event so well organised was quite significant and I want to thank Kelly Ockwell, Competition Manager for her hard work, dedication, calm demeanour and for happily answering my never-ending questions. Thanks Kelly!

This year saw the addition of the No & Reduced Alcohol Class, which, with 29 entries in it's first year is already proving popular.

For many of our judges it was their first time using the new entry and judging platform. This year have built on the capabilities of the system and education of judges, and we hope the feedback entrants receive, reflect these changes. The new system again improved processes meaning 29 judges were able to judge over 800 beers in 119 style classes in just two days.

It was a pleasure to have our Northern judges back with us this year, and to have a selection of Australian judges make the trip across the Tasman. It really does add strength and diversity to our judging pool, and industry and consumers can be confident in the integrity and excellence of our judging panel. Thanks also to Tina Panoutsos, who as Head Judge made the entire process seamless.

The 'back room' really is the heart of the operation, and our stewards are amazingly professional. They not only managed to deliver hundreds of beers at the right time, to the right people, they also cleaned, washed glasses, some spent hours in the cold handling kegs and they always managed to do these tasks with a smile. The energy in the room was amazing, and I can't thank them and head steward Helen Matthews enough for making the competition such an enjoyable and professional experience.

All of these people volunteer their time and expertise to ensure the success of our competition and on behalf of the Brewers Guild of New Zealand board, thank you!

This was my first full NZBA judging and awards event as Executive Director, having only experienced it from the periphery in 2021. The work, the people, the energy and the absolute pleasure to be a part of something so professional really is something special.

It is a privilege to be a part of an industry that is so passionate. Individuals from breweries and our supply chain partners, supporting businesses and contractors all come together to help deliver a world class competition.

Our members continue to be our 'why', and I intend that the Guild, as the industry association for brewing in New Zealand will continue to support your goals, to collaborate and to deliver exceptional results, events, and activities for the collective success of our industry.

Congratulations to all the winners from this year's awards!

Melanie Kees - Executive Director
