THE WORLD'S GREATEST LOCAL AND IMPORTED MALTS.

## MARTON MALTINGS

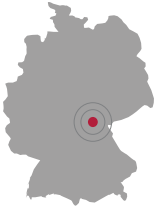

Farmers from Hawke's Bay, Manawatu, Rangitikei, Wairarapa and Canterbury grow two-row barley varieties specially developed for New Zealand conditions.

The raw barley is malted by Malteurop NZ at Marton Maltings (Est. 1979), before distribution to our warehouses across the country.

Our distribution warehouses are located in Auckland, Wellington, Blenheim and Christchurch

# AWARDS SUMMARY

## AWARDS SUMMARY

---

This year's judging for the 2018 Brewers Guild of New Zealand Awards was held over three days from September 7 to September 9 held at the Lincoln Event Centre in Christchurch. A total of 903 beers were judged by a team of 25 Judges and 13 Trainees. Overall, there were 68 Gold, 182 Silver and 256 Bronze Medals awarded. The success rate in gaining a medal was 54%, up slightly on the last 2 years. The judges agree that the quality of the beers entered is continuing to improve. Indeed the final round of tasting to determine this year's Champion New Zealand Beer gave the lucky judges an extremely difficult task. Congratulations to all the medalists, and keep up the good work.

The Trainee to Judge program continues to evolve as we strive to develop a large pool of potential judges. Of course, this means not all will judge every year, but it gives a buffer to allow for judges unavailability and an increase in beers entered.

An event like this does not go on without a significant amount of effort by many people. So I express my gratitude to all those involved. This year we had an essentially new crew doing all of the organisation and stewarding for the event. Sabrina Kunz, and Cathrine van Venrooy

### Beer Judging Award Criteria

#### **Gold Medal**

A world class beer that accurately exemplifies the style, or may vary slightly from style parameters, while displaying the proper balance of taste, aroma and appearance.

#### **Silver Medal**

An excellent beer that may vary from style parameters while maintaining close adherence to the style and displaying excellent taste, aroma and appearance.

#### **Bronze Medal**

A fine example that may vary from style parameters and have minor deviations in taste, aroma or appearance.

---

## AWARDS SUMMARY

---

from the Guild have spent many hours in organising much of the logistics for the awards and should be congratulated on a job well done. Except for a couple of "old hands", we had a new crew of Stewards. I especially thank them for their time and effort in helping at the awards. They worked tirelessly and enthusiastically. The industry is in good hands if they are an example of our developing brewers. It is also important that we recognise the fantastic contribution of Craig Bowen and his team, including the Massey University crew. While not directly involved this year they have given many years of service to the NZ awards.

I would also especially like to thank the judges for their time, dedication and friendship. This is my favourite beer awards, and this is mostly due to the camaraderie and professionalism of the judging, stewarding and management team. Finally, thanks to the Brewers Guild for the privilege and honour of being Chief Judge, and congratulations again to all the medalists.
